Letter of Appreciation

To Whomsoever It May Concern

This is to certify and recommend that M/s. SKM Tools Pvt. Ltd., is an accomplished and dedicated vendor for Pratt & Whitney, USA. They have fabricated components and tooling for our JT8D/PW4000 Aero-Engine Programs. They have demonstrated excellent performance by way of meeting the delivery schedules with their unflinching quality.

S.K.M Tools have an excellent manufacturing facility with state of the art CNC machines. The inbuilt quality culture among their operators is the strength of their excellence. This is supported with the best in the class 3 Axis Coordinate Measuring Machine from Carl Zeiss.

SKM Tools is a very reliable, dependable and high quality tooling supplier, whose sense of responsibility is immaculate.
